## “WHAT’S HOLDING YOU BACK?”

---

### **READ**

*Jeremiah 33:3, 1 Kings 19:19-21*

Today you could leave the mundane and the average and move into an area where you can see “great and mighty things.” What if God is answering you with an offer, not just an answer? What if, in the stillness of your soul, the desperation of your prayers and the expectancy of your faith, God says, “Let Me make you an offer?” This is not about salvation; salvation is a gift. God offers His children opportunities to move into deeper, higher, better things. Sometimes God asks us to do what’s hard, to recklessly abandon everything we lean on. Elisha made a decision to leave what he knew and adopt Elijah’s mantle, becoming his servant. He made a decision to accept what God had offered. So, what is it for you? Is God stirring you to let go of something familiar, to step out in faith toward a desire that’s been in your heart? God wants to show you great and mighty things that you don’t know. It can bring miracles to your life and others if you just go for it!

### **PRAY**

Jesus, show me great and mighty things. When You offer me Your best, help me let go of the pitiful things I cling to. I am Your servant and want to walk in faith following You.
