## “THERE IS SOMETHING DIVINELY METICULOUS ABOUT YOUR LIFE.”

---

### **READ**

*Colossians 1:9-14*

Nothing you get from God is earned: it's a gift. The good news of the Lord Jesus Christ is that the worst person on the planet is a candidate for eternal life and redemption through faith in the blood of the Lamb of God. I'm going to heaven, not because I'm a good person or a strong person. I'm a recipient of the grace of God. This life is about letting God use you for His purposes, not you using Him for yours. Only in Christ do we find out who we are. Long before you or I were born, He already had a design for us. He knew our names, He numbered our days, He ordered our steps and our ways. When we commit our whole life to Jesus, we discover our purpose, and realize that it fits into a much larger purpose. He is doing something in you, with you and for you that intertwines with the great big plan of heaven. There is something divinely meticulous about your life. God, by design, created a plan that He might show the whole universe the height of His love, the depth of His grace and the unsearchable riches of Christ through you!

### **PRAY**

God, I can't think as large as You are, but help me to think bigger than myself. Help me to realize that You began a good work in me and You will be faithful to complete it.
