

OCTOBER 6

“DILIGENTLY SEEK HIM.”

READ

Romans 12:1-2, 1 Corinthians 9:24-27

The Scriptures reveal the signs of the times, and if we are watchful believers we see them all around us. This fallen world is coming to an end. How should we be living, and should this be a serious matter? Should I be gravely concerned about my walk with Jesus? The answer is yes! This is not a game or a joke. This is warfare with a vile, vicious adversary who seeks to steal, kill and destroy. There's an urgency to call people to a holy life and to have an awareness of the times in which we're living. Paul said that wherever he was, his aim was to please the Lord. Is that your aim? Without faith it's impossible to please Him. God rewards those who diligently seek Him, but we can't seek Him until we find Him. That's not backwards. God "finds you" and gives you understanding and a desire to diligently seek Him.

PRAY

Lord, help me choose to run, to fight and to diligently seek You every day. Help me to sit at Your feet and learn from You. Let it always be my aim to please You.
