

SEPTEMBER 30

“WILL YOU LET JESUS BE YOUR VISION?”

READ

Proverbs 3:5-6

When you were born again, Jesus came into your life — all of Jesus, everything that He is and has. When Jesus comes in, not only are you a new creation, but He gives you a new mind, a new set of eyes, new ears, a new mouth, and a new heart. Anytime after you're born again, when you hear or see something going on in your life or in the world around you, you can choose to either perceive it with your physical eyes and ears, or you can perceive it with the eyes and ears of God. If you see it with human eyes, it may appear frightful or negative; it may cause you to slide into hopelessness. But if you see it with the eyes of God, which go beyond the tangible, you sense hope. You hear the voice of Jesus instead of the voice of the enemy. So, will you see with your eyes? Will you hear with your ears? Or will you let Jesus be your vision? Will you trust Him with all you have?

PRAY

Once again I crucify my flesh and commit to walking in newness of life. You make everything new. I choose today to see and hear with my new eyes and ears and to trust in You with my new heart.
