

AUGUST 12

“YOU ARE COMPLETE IN HIM. THERE IS NOTHING ELSE.”

READ

Colossians 2:2-3

There are a lot of believers who are still searching for something, but there is nothing else. All that teaching about something lacking in our lives is false. What we find in Scripture is that we are complete in Jesus Christ. That means when we are born again, there is nothing else we need, and we don't have to drag around baggage from the past. No person, job, or situation will make us more complete; even that statement is nonsensical. If something is complete, it cannot be “more complete.” If we're saved, we're complete in Christ. We don't need signs and wonders to prove that we belong to Christ, or that we're whole in Him. His Word says it, so we believe it. When we go around searching for something that's fantastical or exciting under the guise of spirituality, we harm ourselves and others in our walk with God. Your only searching should be for more of God. You should praise Him daily and ask according to His will. God's Word says He is faithful to fulfill His promises, so you must remember that He has promised you are complete in Him.

PRAY

Lord, I just want You. Forgive me for searching for fulfillment in other things, even when those things may seem noble. Thank You for quenching the thirst of my soul.
