**“EVERYONE IS BORN A SINNER.
YOU HAVE TO BE BORN AGAIN
TO BE A SAINT.”**

READ

1 Corinthians 15:20-28, Luke 21:36

There's going to be an end of society as we know it. There will be no more democracies or dictatorships. There's coming a day when there will be a theocracy. Jesus Christ will rule the world in righteousness. The end means that everything sin has done to us will vanish, and Jesus will reign. For a sinner, your greatest enemy is not Satan; it is not sin, sickness, or death. If you're a sinner, your enemy is God. If you do not know Jesus, it is not the devil you have to worry about because you already belong to him. You are the enemy of God until you trust in Jesus Christ. This message is offensive, but if you don't want to be God's enemy, come to the cross and Jesus Christ will forgive you and set you free. The Bible says if you do not believe in the Lord Jesus you are a sinner. The same people ask, "Aren't you a sinner as well?" Christians sin, but they are not sinners. We may falter, but we have been saved by grace through faith. We are forgiven, blood-washed saints struggling with life. If we endure, we shall also reign with Him.

PRAY

I praise You for Your grace and Your blood that has transformed me from sinner to saint. May I walk worthy. Give me the compassion and courage to point sinners to the cross.
