

NOVEMBER 7

**“THOSE THAT HAVE THE SPIRIT
OF GOD WITHIN THEM
ARE LED BY CHRIST HIMSELF.”**

READ

Jude 1:17-21

Some have the Holy Spirit and some don't. Those that do not are led in every way by the flesh. Those that have the Spirit of God within them are led by Christ Himself. He directs every area of their lives. Without the guidance and discernment of the Holy Spirit, believers cannot know how to please God. The Scripture teaches that the Holy Spirit indwells every believer. Yet, Jesus Christ promised something beyond salvation. He promised us a Helper, a power that is for everyone who believes. The Holy Spirit gives us words when we don't know what to pray, wisdom that is not of this world, and power to live godly lives despite ourselves. The gift of the Spirit will be given to those who ask and wait. When we are filled with the Spirit, we can walk in boldness and confidence. Why would you not ask Jesus for this precious gift today?

PRAY

Dear Lord, I need Your Spirit. I need wisdom, discernment, power, and boldness. Fill me with Your Holy Spirit. Pray and live through me.
