## “JESUS PAID THE PRICE, SO WE COULD LIVE THE LIFE.”

*1 Corinthians 15:51-58*

You can't talk about resurrection without talking about death. Death affects everything we do. It's everywhere as the result of sin and disobedience. We rearrange our lives because of it. We warn our children, spouse, family and friends when they go out, thinking this could be the last time we're together in this life. We can be so afraid of dying that we really don't learn to live! You cannot cheat death; every one of us has a date that's been set. As believers, we know the One who has the keys to death and the grave. We will never die! Jesus takes the threat out of death. Satan knows that once you are a Believer, you belong to God. He can't destroy your soul or steal your salvation. What Christ did on the cross was for all eternity, and Satan cannot undo it. Hallelujah! Don't face death alone. The price has already been paid, the victory has already been won. What He did on the cross washes away all sins, and He can make a saint out of a sinner.

### **PRAY**

Jesus, You took the sting of death away from me. I thank You for the abundant life I have in You and the eternal life I will enjoy with You.
