## **“YOU WILL NEVER BE SEPARATED FROM JESUS CHRIST AGAIN!”**

---

### **READ**

*John 14:1-3, I Thessalonians 4:15-18*

Any moment now, Jesus Christ is going to appear in the clouds and call the saints to Him. The Rapture of the Church is imminent: that means it can happen at any moment. Imminent means nothing else has to happen first. Imminent means that when God the Father decides the time is right and gives the nod to His Son Jesus, the Lord is going to catch away the saints to Him in the air. All the troubles that weigh you down, they'll be left behind. I don't know what brings pressure into your life right now or what is upsetting you, but take comfort in these words: the Lord Himself is coming back from heaven. If this were your last day on earth, are you ready to meet Jesus? Take a moment and search your heart, so that you might be able to say "Jesus, I am ready! I want you to come for me!" Even so, come, Lord Jesus!

### **PRAY**

Lord, while I eagerly await Your return, I earnestly pray for the many around me who aren't ready. Time is short. I lift them to You now. Convict them of their sins. Save them by Your grace.
