## “SOMEBODY LIKE YOU IS WHY HE DIED ON THE CROSS.”

---

### **READ**

*Luke 7:36-50*

There are a lot of people in church who feel like they don't belong; that they're not worthy. Somebody like you is why He died on the cross. Somebody just like you is why He let them whip the flesh off of His back. Somebody exactly like you is why He let them put nails in His hands. I don't care what you can think of in your mind, if it's a sin, Jesus Christ died on the cross to forgive it. You've never committed a sin so bad or so often that His blood can't cover it. There's nobody too mean, too bad, too low, or too far away that Jesus will not show up. The greatest prayer you will ever pray is when you say, "Lord, help me!" The greatest time in your encounter with God is when there is no pretense. You're not pretending or hiding, you're saying, "I'm Yours." It's just that simple. It's just that easy. You cry, "Jesus!" and He says, "Your sins are forgiven, go in peace."
