

OCTOBER 19

“OUR WEAPONS CANNOT BE DERIVED FROM FLESH, FROM NORMAL HUMAN THINKING.”

READ

2 Corinthians 10:3-6, Ephesians 6:10-13

We are fighting a war. Our weapons cannot be derived from flesh, from normal human thinking or reasoning. They must be spiritual. If the enemy has built a fort in your mind concerning any area of your life, any prejudice, any aggravation or any irritation, it's time to get vicious and pull it down. You can't let it have influence or sway over you. You have to pull down strongholds. You must cast down arguments and imaginations, anything that has to do with negative thinking. When Jesus fills you with His Holy Spirit, He gives you a new mind and a new understanding, and a powerful arsenal. Now you can see who the real enemy is and what he is doing. Think about anything that's true. Think about honest and beautiful things. Anything that's got virtue, think about that. When your thoughts turn dark, you've got to say, "You can't go there." Think about things that give you victory. Think about things that glorify Jesus.

PRAY

Jesus, help me to have the mind of Christ and to take every thought captive. You have given me mighty weapons to pull down strongholds.
