## **“THE HAPPIEST BELIEVERS INVEST IN SOMEONE ELSE’S LIFE.”**

---

### **READ**

*John 13:15-17*

Christianity in its essence is a matter of doing something for someone else because of what’s been done for us. During the pandemic, COVID-19 shut down churches, schools, and the whole country for a time. Lots of people said, “We just stayed at home; there was nothing to do.” There is always something to do. Christians were designed by God to serve. God made it so that we can be fulfilled only if we do what we were designed to do. If we do, there will be no frustration, only fulfillment. Just as a hunting dog was designed to hunt, God’s children have been designed to serve and do something beyond themselves. Forget about comfort and learn what sacrificial worship is. The happiest believers and followers of Jesus are those who invest in someone else’s life. If you want to change your day today, find somebody and make a difference in his or her life. You’ll go to bed tonight with a whole different attitude.

### **PRAY**

Jesus, guide my steps and lead me to someone that needs help or uplifting. You were a servant. Make me one, too.
