

JANUARY 27

**“YOU DON’T HAVE TO ‘CONFESS’
YOUR VICTORY INTO BEING,
YOU ALREADY HAVE IT.”**

READ

Ephesians 6:11-17, Romans 8:37

We are more than conquerors. I am not into positive confession, or creating something with my words. We can’t “create” anything. What I am into is speaking the truth, and the truth is that Jesus Christ has already won your victory for you. He gave it to you when you believed on Him. You don’t have to “confess” your victory into being, you already have it. Not because you fought and won it, but because He fought for it, won it, and gave it to you. You don’t have to declare it. He has already done it. We are choking in problems. The closer we get to the coming of the Lord, the pressure is mounting. Every day, this world is rotting exponentially. But the Bible tells us that in all these things we are more than conquerors through Him Who loved us. The only way to stop this world’s madness is to come face to face with Jesus Christ.

PRAY

Lord, I long to see Your beautiful face. Until that day, thank You for reminding me that through You, I am victorious. I can enjoy this day trusting in the sufficiency of Your victory.
