

OCTOBER 26

“NOTHING CAN MAKE A CHRISTIAN HAPPIER THAN JESUS.”

READ

1 Timothy 6:6-10

When you're living right, serving the Lord and trusting in His Word, that's the happiest you will ever be. Nothing given to you can make you happier, and nothing taken from you can diminish that happiness. Loving God and living right is true and eternal wealth. So, here's the question: Do you have some clothes right now? Do you have some food right now? Jesus tells us to be content. You've got what you need. First, you have God, so you have the Truth. You have something to cover your body and have something to feed it. Be content. Those who desire to be rich fall into temptation and a snare. There's no way to avoid it, no way to get around it. If your drive in life is to get more, have more, and be rich, you'll never be satisfied. You're heading into a trap. There's a snare set up for you. There's nothing good about spending your life trying to get stuff. The love of money is the root of all kinds of evil. You have been assigned to go after godliness. That's your mission. Just love the Lord and let Him love you back. Be satisfied, completely contented in Him, and you'll be an extremely wealthy person.

PRAY

Jesus, You are my Shepherd — what more could I want? May I be satisfied in You. Like Paul, may I learn to be content regardless of my circumstances.
