

SEPTEMBER 5

“THOSE HE CALLS HE NEVER UN-CALLS.”

READ

Isaiah 40:29-31

There are some of you who think the Lord is through with you. Now I don't mean you're lost. I don't mean you won't go to heaven, but you think He's not going to use you anymore. You've fouled up, or made a wrong turn. You think you've disqualified yourself. Those He calls He never un-calls. Those He anoints, He never stops anointing. He let you go through this dark cave, so you can see how precious His Holy Spirit is. "Get ready," says the Lord. It's not over. You thought it was over but God has a different plan. He's about to turn you around and put you back into something you never thought would be possible again. God does not play games with His children. When it's time for the door to open, it will open. God does everything on time. He can come in times of our most dire need, and remind us that He has not forsaken us. Those who wait upon the Lord shall renew their strength. He will not walk away and abandon us. We often change our minds about Him, but He will never change His mind about us. He has loved us from everlasting. He will never NOT love us.

PRAY

Lord, I do not deserve Your unfailing love. That's grace! I thank You that You are faithful even when I am not. I am in awe that You have called and kept me. Bless Your name!
